PROFILE SUMMARY

A Computer Science undergraduate student at Bina Nusantara University who is currently specializing in cloud computing and is enthusiastic about building scalable, reliable, and efficient systems on cloud infrastructure. I have an interest in web development and user interface design to complement my backend and cloud skills, using Laravel, Python, CSS, and MySQL. Experienced in collaborative, Agile-driven academic projects.

EDUCATION

Computer Science	2024 - Present
Bina Nusantara University	
Current GPA: 3.95/4.00	

ORGANIZATION EXPERIENCE

Activist of HIMTI BINUS University	Dec 2024 - Jan 2026
- Actively participate in the planning and implementation of organizational activities, ranging from inter-divisional coordination to the execution of work programs. - Manage the organization's publication content, including the creation and dissemination of information about activities to members and the public through the association's social media channels. - Contribute to cross-functional teams to support the smooth operation of the Computer Science Student Association.	

Freshmen Leader at First Year Programs of BINUS University	July 2025 – Sept 2025
- Guiding and supporting a group of new students during orientation, including ensuring attendance, the completion of assignments, and the readiness of participants each day through attendance records and routine assignment checks. - Delivering orientation materials and providing guidance on college life, as well as serving as the primary point of contact for new students to address all their needs during orientation. - Ensuring that all participants' assignments and responsibilities are submitted on time by actively coordinating with fellow Freshman Leaders and the organizing committee.	

Freshmen Partner at First Year Programs of BINUS University	Sept 2025 – Jan 2026
- Providing weekly materials on adjusting to college life, including study tips, time management, and adapting to the campus environment. - Organizing regular games and team-building activities to maintain motivation and foster a sense of community among the freshman class. - Monitoring student participation in class, ensuring attendance and assignments are met, and assisting freshmen in earning the community service points required by the university.	

Treasurer of HIMTI BINUS University	Feb 2026 – Present
- Manage the organization's finances on a regular basis, including preparing monthly financial reports, recording income and expenses, and compiling activity budgets. - Ensure the transparency and accuracy of financial reports as a form of accountability to the executive board and association members. - Coordinate with other divisions in preparing the Budget Plan (RAB) for each work program.
